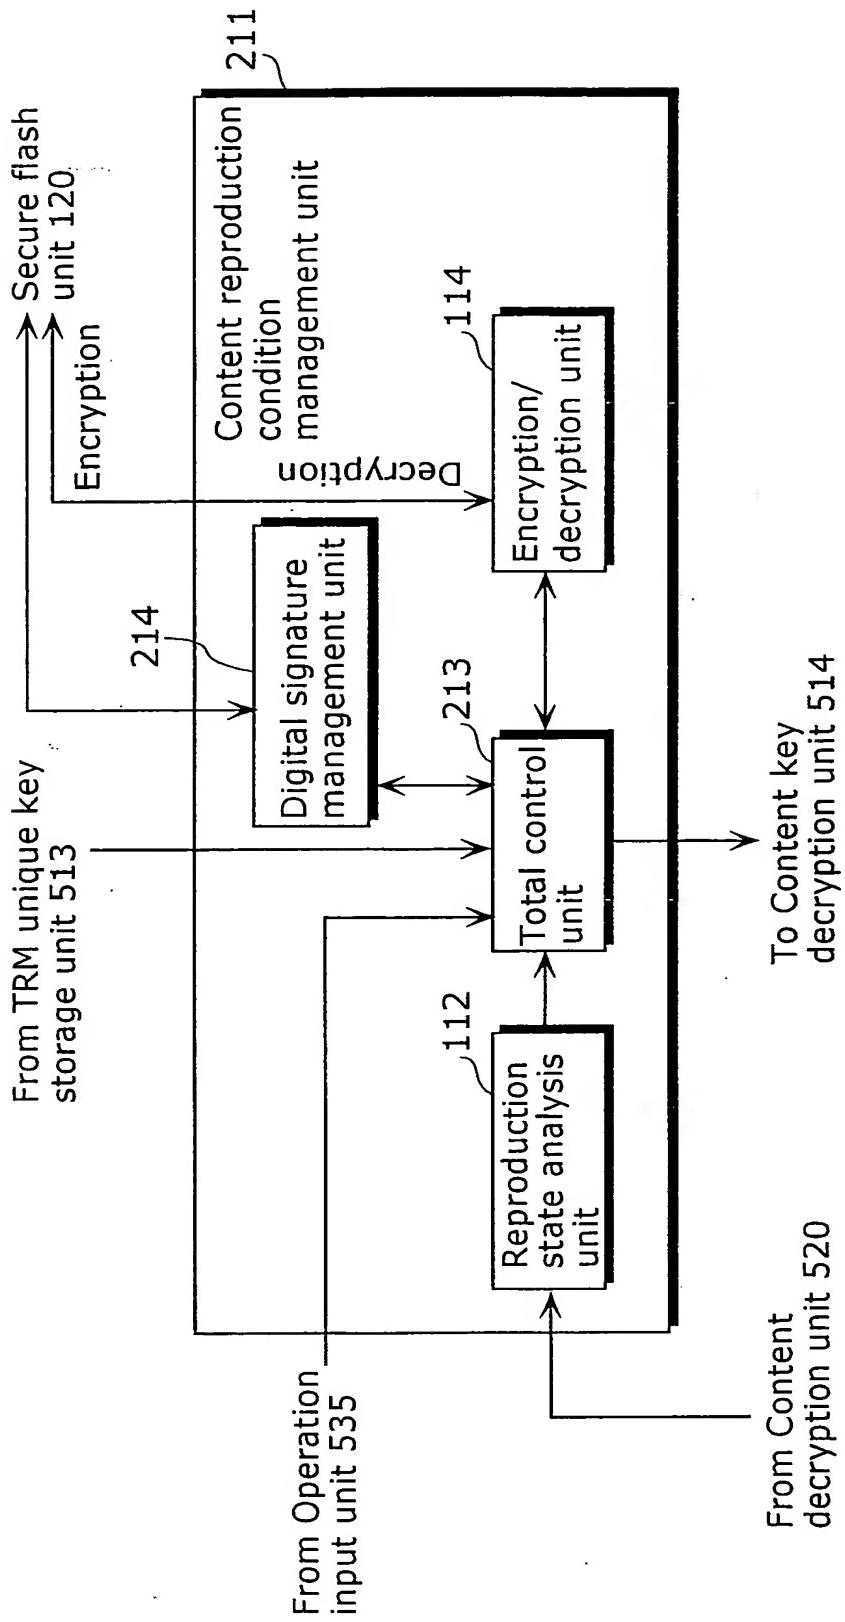

FIG. 8

The diagram shows a table with two columns: 'LT-ID' and 'Update times'. The 'LT-ID' column contains entries: ABC_0011, DEF_0022, followed by two dots, and XYZ_0099. The 'Update times' column contains the values 2, 5, followed by two dots, and 7. Three annotations are present: annotation 51 points to the header of the 'LT-ID' column; annotation 52 points to the header of the 'Update times' column; and annotation 50 points to the right edge of the table.

LT-ID	Update times
ABC_0011	2
DEF_0022	5
.	.
